ALTA FORMAZIONE E SPECIALIZZAZIONE ARTISTICA E MUSICALE

CONSERVATORIO DI MUSICA LUIGI CANEPA – SASSARI

Il Presidente

Saluto in occasione dell'incontro di studio tra Studenti di musica di Sassari e Londra
- Conservatorio di Sassari "Luigi Canepe" - Sala Sassu - Martedì, 24 ottobre 2023

1. Dear Students and Teachers, let me say something about human being interaction and its fundamental components: meeting and listening.
2. Human society is like a great orchestra.
3. All the instruments are different, but they communicate with each other and, like artists, make harmony possible.
4. Harmony is the realization of unison.
5. Listening is recognizing many diversities and knowing how to keep them together because there is no possibility of success without sharing.
6. I hope you can enjoy and be enriched by experiences like this and keep forever the melodies and smiles of Sassari in your heart.
7. The greatest musician is not the one who plays the loudest, but the one who listens to others the most.

Thank You and welcome to Conservatory "Luigi Canepe" in Sassari!
